

FSR-2002 NEC ADOPTION MATRIX

Legend to Matrix:

- All newly proposed amendments and existing SFM amendments of the 2001 CEC that the SFM is proposing to maintain in the 2004 CEC will be shown *in italics and underlined.*
 - The model code publisher of the 2002 National Electrical Code (NEC) has reformatted the section's numbering and has relocated the subjects of various 2001 CEC Articles into different Articles of the 2002 NEC. Therefore, the SFM is showing the newly formatted section numbers in regular font and underlined. The existing 2001 CEC section numbers will be shown in ~~regular font and strikeout.~~
